Integration Options

DEDICATED BRANDED LEARNING ACADEMY

Mpirical can provide a branded learning Academy with your company branding. This can include a managed administration service and also managed supplier service where third party content can also be added to your branded academy.

SINGLE SIGN ON (SSO)

Streamline your staffs' experience by providing a single sign-on from your own network/learning management system directly to the Mpirical OnlineAnytime package.

USER REPORTING API INTEGRATION

Enable a seamless flow of staff usage and reporting directly to your own LMS.

Benefits

-  All courses provide CPD learning credits
-  Unlimited usage
-  Access from any device; truly mobile learning
-  Many courses providing ITP Accreditation
-  New courses and updates to existing content regularly added during the 12 month licence term

Contact our sales team to discuss how our training support options can be added to your Enterprise package.
